MUNICIPAL NOTES.—Auditor Price to day paid to Col. Edward Temple, the representative of the heirs of the late Dr. Wm. Guntton, \$1,816.50, being the eighth payment of principal and interest on notes held by them. The city has since 1880, paid this estate in principal \$48,730. Interest \$11,370. Total \$59,968. The principal of the debt amounted to \$54,190, upon which there is still due \$5,460.

The report of yesterday's Council proceedings failed to state that Mr. Fisher in a very kind and complimentary way placed Mr. J. T. Johnson in nomination for clerk of the board. The President added his testimony to the efficiency of the clerk, and some other pleasant things were said to which Mr. Johnson replied in his happiest style. His remarks would have been published, but he has held them for revision to be used in 1893. Capt. Nightingall, the janitor, made no speech upon being re-elected, simply saying, "Children should be seen and not heard." Capt. Webster was among the distinguished visitors, but was vexed because he could not get a rocking chair.

PERSONAL.—A letter from Atlantic City to the Philadelphia Times says: "The June brides are beginning to arrive and there are no less than three to-day ensconced in the handsome bridal suites at the Marlborough, which makes a specialty of brides. They are Mrs. and Mrs. Jacob Brill of Alexandria, Va.; Mrs. and Mrs. W. B. Carter, of New York; and Mrs. and Mrs. E. F. Boyd, of Baltimore. Mrs. Brill is a most interesting bride, a typical southern girl, with flashing eyes and long lashes and a playful face. She dressed in exquisite taste."

Mrs. Emily Hight, of Williamsport, and Miss Jennie Aylen and Elizabeth Crawford, of Sanbury, Pa., are visiting Mrs. H. L. Ramey, 402 Prince street.

Two degrees of civil engineer was conferred on Mr. E. K. O'Brien, of this city, at the commencement exercises of the University of Virginia on Tuesday.

The excursion committee made its final report. After paying all expenses the company realized \$100, which was placed in the treasury.

POLICE REPORT.—Last night was rainy and cool with three prisoners and one lodger at the station house.

Mayor H. Strauss held his first court as Mayor this morning, and was at his desk promptly at 8 o'clock. He disposed of the following cases:

Jerry Dwyer, colored, for disorderly conduct, was fined \$2.50 and in default of payment, was sent to jail for 30 days.

Smith, directors; Capt. H. Shepherd, manager, and E. J. Bero, Jr., W. C. Hamilton, J. M. Bryant and G. F. Scott, of the Ohio company.

BALTIMORE, July 2.—Virginia consols — do 104-00 — do 3a 64 bid.

ALEXANDRIA MARKET, July 2.—The flour markets are without features of interest and are quiet at unchanged figures. The receipts of wheat are increasing, but the condition of the new crops is decidedly mixed—two or three sorts in every little lot—good, bad, and indifferent, due to careless cleaning and threshing while damp; sales consequently make a long range—90, 93, 95, 97, 100, 101 and 102, latter for old crop. Corn is steady at 68 to 73. Rye is lower at 65 to 80. Oats 48 to 52. Eggs 15 to 17. Chickens 18 to 21c per pound and very scarce; old fowls are dull at 7 to 9. Potatoes, onions, other produce, Veal Calves Mutton Lambs, Beef Cattle, Milked, Hay and Straw are in fair demand.

BALTIMORE, July 2.—Flour: steady and unchanged. Wheat—Southern active; Fulz 93a 105; longberry 10a106; No 2 red higher; spot 100 1/2-101 1/2; July 98 1/2-99 1/2; Aug 97 1/2-98 1/2; Sept 97 1/2-98 1/2; Oct 98 1/2; steamers No 2 red none. Oats active; No 2 white Western 41a42; No 2 mixed 40a41. Eye quiet; No 2 78a80. Hay quiet; good to choice timothy \$10 50a12. Provisions unchanged.

NEW YORK, July 2.—Cotton quiet; uplands 8 1/2; Orleans 8 13-16; futures steady at the decline. Flour active and weak. Wheat active and steady. Corn quiet and easy. Pork quiet and steady at \$10a12 1/2. Lard quiet and firm at \$6 42 1/2.

Her Boy.

Swift's Specific (S. S. S.) cured my little boy of hereditary scrofula, which broke out all over his face. For a year he had suffered, and I had given up all hopes of his recovery, when at length I was induced to use S. S. S. After using a few bottles he was entirely cured. Not a symptom now remains of the disease. This was three years ago.
